

Helping Ohioans with
Healthcare Benefit
Choices

Getting the most value from your NAHU membership!

Here are just a few of the many opportunities to benefit from your NAHU membership:

- **America's Benefit Specialist** – A monthly publication sharing industry experience and educational information to improve your business.
- **Health Care Happy Hour Podcasts** – Available every Friday afternoon, the podcasts feature NAHU leaders and share thoughts on the current state of the industry.
- **Washington Update** – Published weekly, this provides a snap-shot view of the most important legislative issues affecting our industry from “inside the beltway” and beyond.
- **Local Chapter Events** – While mostly virtual at this time, local and state chapters conduct regular educational meetings and provide opportunities for networking with other successful professionals.
- **Legislative Opportunities** – Hands-on opportunities to take part in the legislative process:
 - o Day on the Hill – Most state chapters hold a day where members meet at their respective state capitol and hold one-on-one meetings with state legislators.
 - o Capitol Conference - Held each February, Capitol Conference is held in Washington, DC, and give members the opportunity to hear from national speakers, Federal legislative officials, then conduct in-person meetings with your Congressional representatives.
- **Educational/Professional Development Opportunities** – NAHU provides a variety of courses, webinars and special meetings, to help you stay informed and strengthen your business and leadership.
- **Certification Courses** – Nationally recognized certification courses which allow you to demonstrate your expertise in a variety of subjects such as Self-Funding, Medicare, Wellness, Ethics, Account Management, Worksite/Voluntary Benefits and many more.

- **Technology Solutions** – Numerous technology solutions are available at discounted rates. ACA reporting, HR/BenAdmin solutions and ACA compliance technology are just a few.
- **Discounted Business Solutions** – Discounts on products and services including office supplies, moving and storage, car rentals, identity theft protection and computer equipment.
- **Networking and Business Development** – Local, state and national events, providing opportunities to network with leading professionals from across the country, developing both your personal relationships and business opportunities.
- **Compliance Corner** – A one-stop place to find the majority of federal statutes that affect the employee benefits world. Ask a general compliance question or present a very specific customer situation and receive answers within a few days from a team of compliance professionals.
- **Leading Producers Roundtable** – NAHU’s program to recognize top producers. Qualifiers receive unique educational opportunities and discounts to special events, networking and programs.
- **“Find an Agent”** - The nationally recognized, consumer facing search tool which allows individuals to locate agents with specific expertise in their geographic area
